IMPERIAL, Pa. (Oct. 19, 2011) – [Greene's Energy Group](#), a leading provider of integrated services for drilling, production, pipeline, platform and process operations, has named Ray Keller Senior Sales Representative for the Northeastern region of the United States, announced Terry Delasalle of Greene's Energy Group.

Based in the Imperial, Pa., office, Keller will assist clients with hydrostatic testing, cleaning, drying, pigging, water treatment and other Greene's services in the Marcellus Shale and Northeast regions.

With 41 years in the industry, Keller previously managed the eastern U.S. sales efforts of a pipeline equipment and service provider.

"Ray is known and well-respected in the pipeline construction business," said Delasalle, Executive Director of Marketing for Greene's Pipeline Services. "We are pleased to have him join our team in the Northeast, and we are confident customers will benefit from his experience working in this region."

Keller received a bachelor's degree in accounting from Lycoming College in Williamsport, Pa. He is a member of the Pipe Line Contractors Association (PLCA), the Distribution Contractors Association (DCA) and the U.S. Coast Guard Auxiliary.

[Greene's Energy Group](#) serves customers globally in [drilling](#), [production](#), [pipeline](#), [rig/platform construction](#) by offering tools and services to improve productivity and ensure safety, both onshore and offshore.
